The Savill Garden Sculpture Exhibition

Showcasing work from British artists that depict the natural world. These sculptures are being exhibited throughout September and October. We want everyone to enjoy the sculpture and so we ask that visitors do not touch the pieces.

Having completed the trail, enjoy art from a selection of artists over a cup of coffee in The Gallery Café. The Gallery Café is through The Savill Garden shop, as you re-enter The Savill Building.

We also host art exhibitions in the foyer of The Savill Building throughout the year. This month, enjoy floral art from Kate Steele and Gill Jelley or natural and ethereal textile pieces from Liz Patton.

The map below highlights the positions of the sculpture in The Savill Garden:

All sculptures are available to purchase. Prices and material information are shown on the reverse of this leaflet. Please ask a member of the team at reception if you would like to purchase any work.
